Frequently Asked Questions about enrolling at Dalby South State School

Q: We live out of the Dalby South catchment area and I have an older child already enrolled at Dalby South. My Prep child is due to start school next year. Will they be able to attend Dalby South?

A: Siblings of students already enrolled are able to enrol regardless of where they live in the Dalby area. The originally enrolled students must also be attending when the new student starts school.

Q: We live out of the Dalby South catchment area and I have an older child already enrolled at Dalby South in Year 6. My Prep child is due to start school next year. Will they be able to attend Dalby South?

Q: My high school aged child went to Dalby South and we live out of catchment. I now have Preppie for next year. Can I enrol them?

Q: I have a child who will be starting Prep next year and I want them to attend Dalby South. We live out of catchment, can they still attend.

A: The answer is the same for these three questions. If you would like your child to attend Dalby South, please come and see us and fill out an Application for Enrolment form as soon as possible. Although it won't be an automatic enrolment, we will have a significant capacity for students to enrol from out of catchment.

Q: Our children are already attending a different school in Dalby and we wish them to attend Dalby South in the future?

A: Please fill out an Application for Enrolment form for each student. There may be some enrolment opportunities across our school. We will get back to you in regard to our situation and to arrange an interview time.

Q: We are moving to Dalby from out of town and we wish our children across various year levels to attend Dalby South. We are not yet sure of where we are going to live. Can our children attend Dalby South?

A: It is possible that they may be able to attend Dalby South as there may be enrolment opportunities across all year levels. Please fill out an Application for Enrolment form for each student. If you move to our enrolment zone then your children will automatically be able to enrol at Dalby South. (Evidence will need to be provided in regard to your residential address. Please see below in regard to this.) If you move to Dalby but not into our zone, there may still be enrolment opportunities across our school. We will get back to you in regard to our situation and to arrange an interview time.

Q: We live in catchment and my eldest child will be starting at Dalby South next year, what do I have to do to enrol them and when? I have heard that we need to provide evidence of where we live. What does this mean?

A: Please come in as soon as possible and fill in an Application for Enrolment Form. This will help us with our forward planning for next year. You will also need to provide us with two pieces of evidence of where you live otherwise your child's application for enrolment will need to be considered as out of catchment. (Please see below for evidence.)

Q: We live out of catchment; do we need to provide evidence of where we live?

A: Families from out of catchment do not have to provide evidence of their address.

Pieces of evidence needed to prove residency in the Dalby South enrolment zone:

One primary source - a current lease agreement, or rates notice, or unconditional sale agreement.

One secondary source - a utility bill (e.g. electricity, gas, fixed line telephone) showing this same address and students parent's/legal guardian's name.

Please note that you will need both one primary and one secondary source of evidence.
